Giving back during the Covid-19 crisis

We are extremely proud to be working with a great group of talented individuals. Our employees spearheaded TransTech's efforts to put our 3D printers to work on a collaboration of local tech businesses to create face shields for medical personnel during the Covid-19 crisis. We would like to thank Prusa Research 3D printers for the open-source design that enabled us to get up and running fast, printing face shields (<https://www.prusa3d.com/covid19>) #StrongerTogether
